SPONSORSHIP

Will you join us in granting children the power to dream, learn, and thrive by bridging the gap to education and technology?

ABOUT DREAMERS WISH FOUNDATION

Drawing inspiration from his own upbringing and unwavering support of his family in Ghana, Godwill founded a nurturing haven in 2021 where eager minds could flourish in the heart of a small village in Ghana. Through innovative initiatives, Godwill's non-profit has become a beacon of hope, igniting a flame of change that is illuminating the path toward a more promising tomorrow for the children of his village and others like it.

VISION

To be the leading provider of sustainable and innovative technology. Driven by student-led solutions that improve the lives of children in rural villages.

MISSION

To empower, inspire and educate underserved and technologically impoverished students through STEAM education.

GOALS

Empower 8000 students annually to develop their STEAM skills as well as essential professional skills like teamwork, leadership, problem solving, critical thinking, and empathy.
